EXAMINER'S AMENDMENT AND REASONS FOR ALLOWANCE

An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 7/22/05, Ms. Juliet Grimes requested an extension of time for 1 MONTH(S) and authorized the Director to charge Deposit Account No. 50-0320 the required fee for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 28, line 2, delete "27" and insert therefor --26--;

In claim 29, line 2, delete "28" and insert therefor --27--.

The following is an examiner's statement of reasons for allowance:

After the instant amendments the 35 USC § 112 first paragraph, second paragraph, 102 and 103 rejections have been overcome. The cited prior art no longer teaches the instant amended claims and it would not have been obvious to use these references. The addition to page 13 of the specification references Drapeau, et al. (U-1) and applicants have provide the examiner another reference (Abdul-Razzak, et al. (V-1)) that teaches that *S. aureus* V-8 protease is also known as "GluC", and therefore the addition to page 13 is not new matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles L. Patterson, Jr., PhD, whose telephone number is 571-272-0936. The examiner can normally be reached on Monday - Friday from 7:30 to 4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ponnathapura Achutamurthy, can be reached on 571-272-0928. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
